# Table of Contents

## Part 1: General Considerations of Ethics in Nursing . . . . . 1

1	What Does the Future Hold for Nursing Care? . . . . .	3
	<i>Aging in an Ethnically Diverse Society</i> . . . . .	4
	<i>Health Care Workforce Issues Related to Aging</i> . . . . .	5
	<i>Technology</i> . . . . .	7
	<i>Technology and Advanced Illness Care Issues</i> . . . . .	8
	<i>Electronic Health Records</i> . . . . .	10
	<i>Preventive Measures and the EHR</i> . . . . .	11
	<i>Nursing for the Future</i> . . . . .	12
2	Ethical Decision-Making: A Framework for Understanding and Resolving Mental Health Dilemmas . . . . .	17
	<i>Decision-Making</i> . . . . .	18
	<i>Ethical Principles</i> . . . . .	20
	<i>Ethics Principles Inform Decisions</i> . . . . .	22
	<i>Why Are Ethical Decisions So Difficult?</i> . . . . .	23
	<i>Models of Ethical Decision-Making</i> . . . . .	25
3	Finding a Voice in Ethics: Everyday Ethical Behavior in Nursing . . . . .	37
	<i>Everyday Ethical Comportment</i> . . . . .	38
	<i>Evidence of Failure</i> . . . . .	40
	<i>Taking Action</i> . . . . .	42
	<i>The Emotional Response</i> . . . . .	42
	<i>Speaking Your Values</i> . . . . .	43
	<i>Unpacking the Problem</i> . . . . .	43
	<i>Effective Speakers Learn to Listen</i> . . . . .	44
	<i>Exercise in Receiving Feedback</i> . . . . .	44
	<i>Exercise in Giving Feedback</i> . . . . .	45
	<i>Other Strategies</i> . . . . .	45
	<i>Cautionary Tale: Texas Nurses</i> . . . . .	46

4	Nursing Ethics in Everyday Practice: Using Communication Skills Effectively . . . . .	49
	<i>Challenges in Practice</i> . . . . .	50
	<i>A Systematic Approach to Ethical Decision-Making</i> . . . . .	51
	<i>Fundamental Principles of Communication</i> . . . . .	52
	<i>Communicating With Patients and Family Members</i> . . . . .	53
	<i>Arranging Meetings With Colleagues</i> . . . . .	53
	<i>Reflecting on Practice</i> . . . . .	55
	<i>Framework for Reflection Steps</i> . . . . .	57
	<i>Step 1. Clearly Identify the Situation That Requires         Ethical Consideration.</i> . . . . .	57
	<i>Step 2. Consider Who Will Be Affected by Your Decision</i> . . . . .	58
	<i>Step 3. Figure Out Who, if Anyone, Is the Client.</i> . . . . .	58
	<i>Step 4. Assess Your Relevant Areas of Competence and         Identify Any Missing Knowledge, Skills, Experience, or         Expertise Relating to This Situation</i> . . . . .	58
	<i>Step 5. Review Relevant Formal Ethical Standards</i> . . . . .	58
	<i>Step 6. Review Relevant Legal Standards.</i> . . . . .	59
	<i>Step 7. Review the Relevant Research and Theory.</i> . . . . .	59
	<i>Step 8. Consider How, if at All, Your Personal Feelings,         Biases, or Self-Interest Might Affect Your Ethical Judgment         and Reasoning</i> . . . . .	59
	<i>Step 9. Consider What Effects, if Any, Social, Cultural,         Religious, or Similar Factors Might Have on the Situation and         on Identifying Ethical Responses</i> . . . . .	59
	<i>Step 10. Consider Consultation</i> . . . . .	60
	<i>Step 11. Develop Alternative Courses of Action</i> . . . . .	60
	<i>Step 12. Evaluate the Alternative Courses of Action.</i> . . . . .	61
	<i>Step 13. Try to Adopt the Perspective of Each Person         Who Will Be Affected.</i> . . . . .	61
	<i>Step 14. Decide What To Do, and Then Review or         Reconsider It.</i> . . . . .	61
	<i>Step 15. Act on and Assume Personal Responsibility for         Your Decision</i> . . . . .	61
	<i>Step 16. Evaluate the Results</i> . . . . .	62
	<i>Step 17. Assume Personal Responsibility for the Consequences         of Your Action.</i> . . . . .	62
	<i>Step 18. Consider Implications for Preparation, Planning,         and Prevention.</i> . . . . .	62

5	Ethics Consultation . . . . .	67
	<i>What Is Ethics Consultation?</i> . . . . .	70
	<i>Access to Ethics Consultation</i> . . . . .	72
	<i>The Advocacy Role of the Nurse</i> . . . . .	73
	<i>Preparing to Initiate a Consultation</i> . . . . .	73
	<i>Whose Concerns Are Being Presented?</i> . . . . .	75
	<i>The Nurse's Role and Responsibilities—Consultation</i> . . . . .	80
	<i>Identify the Key Stakeholders</i> . . . . .	80
	<i>Illustrate the Patient's Daily Life</i> . . . . .	81
	<i>Support the Patient and Family</i> . . . . .	81
	<i>Participate in the Consultation Meeting</i> . . . . .	82
	<i>Learn from the Consultation Process</i> . . . . .	82
	<i>Identify Issues for Follow-Up</i> . . . . .	83
6	Genetics and Genomics in the 21 <sup>st</sup> Century: Ethical Considerations . . . . .	85
	<i>Genetic Testing</i> . . . . .	87
	<i>Direct-to-Consumer Testing</i> . . . . .	88
	<i>Testing in Children and Vulnerable Populations</i> . . . . .	88
	<i>Evaluating Genetic Tests</i> . . . . .	89
	<i>Genomic Health Care Equality</i> . . . . .	91
	<i>Genetic Education and Counseling</i> . . . . .	91
	<i>Psychosocial Issues</i> . . . . .	92
	<i>Privacy and Confidentiality</i> . . . . .	94
7	Research Advocacy in Clinical Nursing . . . . .	99
	<i>The Goals of Clinical Research and Clinical Care</i> . . . . .	101
	<i>Informed Consent and the History of Human Subjects Protection</i> . . . . .	104
	<i>Informed Consent</i> . . . . .	107
	<i>Who Is Vulnerable in Research and Why?</i> . . . . .	107
	<i>Research Ethics and Advocacy in Clinical Practice</i> . . . . .	109
<b>Part 2: Ethics in Specialized Nursing Care . . . . .</b>		<b>113</b>
8	Ethical Issues in Critical Care . . . . .	115
	<i>Ethical Issues Critical-Care Nurses Encounter</i> . . . . .	116
	<i>Effects of Ethical Issues in Critical Care</i> . . . . .	118

	<i>Dealing With Ethical Issues</i> . . . . .	120
	<i>Recognizing Ethical Issues</i> . . . . .	121
	<i>Steps to Approaching Ethical Issues</i> . . . . .	121
	<i>What Avenues Are Available to Help?</i> . . . . .	122
9	<b>Ethics in Long-Term Care</b> . . . . .	131
	<i>The Nature of Long-Term Care</i> . . . . .	133
	<i>Developing an Ethical Framework for Long-Term Care</i> . . . . .	134
	<i>The Commitment to Respect and Support Self-Determination</i> . . . . .	135
	<i>The Commitment to Enable the Continuation and Completion of the Resident's Life Story</i> . . . . .	137
	<i>The Commitment to Promote and Preserve Health</i> . . . . .	138
	<i>The Commitment to Protect the Resident's Safety</i> . . . . .	139
	<i>The Commitment to Ease Suffering and Pain</i> . . . . .	139
	<i>The Virtues in Long-Term Care</i> . . . . .	139
	<i>"Ought" Implies "Can"</i> . . . . .	140
	<i>IDEAS for Ethical Decision-Making in Long-Term Care</i> . . . . .	140
	<i>Step 1: Identify the Ethical Dilemma and the Stakeholders</i> . . . . .	141
	<i>Step 2: Develop the Relevant Information and the Resident Narrative</i> . . . . .	141
	<i>Step 3: Explore All Potential Options</i> . . . . .	142
	<i>Step 4: Assess Each Option</i> . . . . .	142
	<i>Step 5: Select a Course of Action</i> . . . . .	143
	<i>Applying IDEAS for Ethical Decision-Making</i> . . . . .	143
	<i>Step 1: Identify the Ethical Dilemma and the Stakeholders</i> . . . . .	144
	<i>Step 2: Develop the Relevant Information and the Resident Narrative</i> . . . . .	144
	<i>Step 3: Explore All Potential Options</i> . . . . .	145
	<i>Step 4: Assess Each Potential Option</i> . . . . .	146
	<i>Step 5: Select a Course of Action</i> . . . . .	147
10	<b>Ethical Challenges in Transitioning to End-of-Life Care:</b>	
	<i>Exploring the Meaning of a "Good Death"</i> . . . . .	151
	<i>What Is Palliative Care, and Where Do Nurses Fit In?</i> . . . . .	152
	<i>Can the Ethical Principle of Autonomy Be Maintained at the End of Life?</i> . . . . .	153
	<i>Is There a Difference Between Assisted Suicide and Euthanasia?</i> . . . . .	154
	<i>Is Withdrawing Hydration or Nutrition at the End of Life Ethical?</i> . . . . .	155

	<i>Is Palliative Sedation Ethical?</i> . . . . .	156
	<i>What If the Goals of Care Are Unclear? Conflicting End-of-Life Care Goals</i> . . . . .	158
11	<b>Ethical Issues in Neonatal Nursing</b> . . . . .	163
	<i>Historical Background of Neonatal Ethics</i> . . . . .	164
	<i>Four Cases Exhibiting Common Ethical Issues</i> . . . . .	165
	<i>Autonomy: Decisional Authority of Parents and the Best Interests Standard</i> . . . . .	166
	<i>Futility</i> . . . . .	167
	<i>Suffering and Prolonged Aggressive Treatment</i> . . . . .	168
	<i>Justice: The "Technological Imperative" and the Use of Scarce Resources</i> . . . . .	169
	<i>Prognostic Uncertainty</i> . . . . .	171
	<i>Withdrawal Versus Withholding</i> . . . . .	171
	<i>Quality of Life</i> . . . . .	172
	<i>Confidentiality and Privacy</i> . . . . .	174
	<i>Advocacy</i> . . . . .	175
	<i>Truth-Telling</i> . . . . .	176
	<i>Fidelity</i> . . . . .	177
	<i>Clinical and Environmental Factors Influencing Ethically Challenging Situations</i> . . . . .	177
	<i>Ineffective Communication</i> . . . . .	178
	<i>Spirituality</i> . . . . .	179
	<i>Provider Inconsistency</i> . . . . .	180
	<i>The Nursing Role in Ethical Situations</i> . . . . .	180
	<i>Acting to Prevent Ethical Conflict</i> . . . . .	180
	<i>Acting Within Ethical Conflict</i> . . . . .	182
12	<b>Pediatric Ethics: What Makes Children Different?</b> . . . . .	185
	<i>Unexpected Acute Illness in Children</i> . . . . .	186
	<i>Taking Childhood Development Into Account</i> . . . . .	187
	<i>Physical Developmental Changes</i> . . . . .	187
	<i>Cognitive Developmental Changes</i> . . . . .	187
	<i>Uncertain Future</i> . . . . .	188
	<i>Paternalism: Looking Out for Children</i> . . . . .	189
	<i>Best Interest: A Guide to Doing What Is Right</i> . . . . .	190
	<i>Quality of Life</i> . . . . .	191

	<i>Informed Consent, Parental Permission, Assent, and Dissent</i> . . . . .	193
	<i>Informed Consent</i> . . . . .	194
	<i>Parental Permission</i> . . . . .	195
	<i>Assent</i> . . . . .	195
	<i>Dissent</i> . . . . .	196
	<i>Setting Limits</i> . . . . .	198
	<i>Conflict</i> . . . . .	200
	<i>Lessons Still to Be Learned</i> . . . . .	200
13	<b>Revisiting Therapeutic Relationship in Psychiatric-Mental Health Nursing: Toward a Relational Ethic</b> . . . . .	203
	<i>Interpersonal Relationships: The Cornerstone of Psychiatric Nursing</i> . . . . .	204
	<i>A Practice Landscape in Transformation</i> . . . . .	206
	<i>Relationships, Health Care, and Ethics</i> . . . . .	207
	<i>What Is a Relational Ethic, and How Does It Apply to Psychiatric-Mental Health Nursing Practice?</i> . . . . .	209
	<i>Fostering Mutually Respectful Relationships: Ethical Sensitivity and Mindfulness</i> . . . . .	212
