## CONTENTS

Preface ( <i>Dr. Adrian Lobonțiu</i> ) .....	15
Foreword ( <i>Prof. univ. dr. Teodor Horvat</i> ) .....	17
Introduction ( <i>Prof. univ. dr. Silviu Constantinoiu</i> ) .....	23
<b>Chapter 1</b>	
A History of Esophageal Surgery, <i>Silviu Constantinoiu</i> .....	25
<b>Chapter 2</b>	
Surgical anatomy and physiology of the esophagus and of the esophagogastric junction, <i>Dragoș Predescu, Silviu Constantinoiu</i> .....	45
<b>Chapter 3</b>	
Upper digestive endoscopy in esophageal diseases .....	69
A. Diagnostic and interventional endoscopy in esophageal diseases, <i>Daniela Dinu, Petre Hoară</i> .....	69
B. Rigid endoscopy, <i>Irina Predescu, Dragoș Predescu</i> .....	87
<b>Chapter 4</b>	
Imaging investigations in esophageal diseases, <i>Dragoș Predescu, Silviu Constantinoiu</i> .....	91
<b>Chapter 5</b>	
Esophageal function tests, <i>Petre Hoară, Rodica Bîrlă</i> .....	123
<b>Chapter 6</b>	
Anesthesia, nutrition and intensive care for patients with esophageal diseases .....	139
A. Anesthesia for Esophageal Surgery, <i>Radu Stoica, Genoveva Cadar</i> .....	139
B. Nutritional care for patients with esophageal diseases, <i>Ioana Grigoraș, Irina Ristescu</i> .....	146
C. Intensive care for patients with esophageal diseases, <i>Ioana Grigoraș, Irina Ristescu, Emilia Pătrășcanu</i> ..	158
<b>Chapter 7</b>	
Esophageal atresia and tracheoesophageal fistulas, <i>Radu Drăsovean, Constantin Ciuce</i> .....	177
<b>Chapter 8</b>	
Gastroesophageal reflux, hiatal hernias and gastroesophageal reflux disease .....	191
A. Diaphragmatic hernias, <i>Silviu Constantinoiu, Cristina Gîndea, Dragoș Predescu, Florin Achim</i> .....	191
A1. Hiatal hernias, <i>Silviu Constantinoiu, Cristina Gîndea, Dragoș Predescu, Florin Achim</i> .....	191
A2. Other diaphragmatic hernias, <i>Dragoș Predescu, Florin Achim</i> .....	198
B. Symptomatology and complications of gastroesophageal reflux disease, <i>Adrian Constantin, Florin Achim</i>	203
C. Functional and imaging investigations in gastroesophageal reflux disease, <i>Petre Hoară, Daniela Dinu, Andrei Cărăgu</i> .....	213
D. Barrett's esophagus, <i>Rodica Bîrlă, Petre Hoară, Cristina Iosif, Simona Enache, Cristina Gîndea</i> .....	220

D1. Barrett's esophagus. Generalities, <i>Rodica Bîrlă</i> .....	220
D2. Diagnosis of Barrett's esophagus, <i>Rodica Bîrlă</i> .....	222
D3. Anatomic pathology, <i>Cristina Iosif, Simona Enache</i> .....	226
D4. Complications of Barrett's esophagus, <i>Rodica Bîrlă, Cristina Gîndea, Petre Hoară</i> .....	231
D5. Indications for treatment of Barrett's esophagus .....	235
D5.1. Indications for medical treatment, <i>Rodica Bîrlă, Cristina Gîndea, Petre Hoară</i> .....	235
D5.2. Indications for surgical treatment, <i>Rodica Bîrlă, Cristina Gîndea, Petre Hoară</i> .....	236
D6. Adenocarcinoma developed on Barrett's esophagus, <i>Rodica Bîrlă, Cristina Gîndea, Petre Hoară</i> ...	242
E. Medical treatment of gastroesophageal reflux disease, <i>Cristina Gîndea, Andrei Cărăgui, Florin Chiru</i> ...	246
F. Indications of surgical treatment in hiatal hernia and gastroesophageal reflux disease, <i>Rodica Bîrlă</i> .....	258
G. Surgical treatment in hiatal hernia and gastroesophageal reflux disease, <i>Silviu Constantinoiu, Dragoș Predescu, Adrian Constantin, Florin Achim, Ioan Cordoș, Ioan Nicolae Mateș</i> .....	260
G1. Introduction .....	260
G2. Laparoscopic and open Nissen fundoplication, <i>Silviu Constantinoiu, Dragoș Predescu</i> .....	261
G3. Laparoscopic and open Toupet and Dor partial fundoplication .....	264
G3.1. Open Toupet and Dor partial fundoplication, <i>Silviu Constantinoiu, Adrian Constantin, Florin Achim</i> .....	264
G3.2. Laparoscopic Toupet and Dor partial fundoplication, <i>Silviu Constantinoiu, Adrian Constantin, Florin Achim</i> .....	266
G4. Belsey-Mark IV operation, <i>Silviu Constantinoiu, Ioan Cordoș</i> .....	267
G5. Operations for complications of gastroesophageal reflux disease, <i>Silviu Constantinoiu, Ioan Nicolae Mateș</i> .....	268
H. Laparogastroscopy and endoscopic stenting in benign and malignant esophageal diseases, <i>Dan Sabău</i> ...	271
I. Nonconventional minimally invasive treatment for gastroesophageal reflux disease, <i>Alexandru-Eugen Nicolau, Adrian Lobonțiu</i> .....	282
J. Gastroesophageal reflux disease and obesity, <i>Cătălin Copăescu, Ionuț Hutopilă</i> .....	294
K. Failed antireflux surgery, <i>Ioan Nicolae Mateș, Silviu Constantinoiu</i> .....	304
L. Roux-en-Y in esophageal reflux diseases, <i>Ioan Nicolae Mateș</i> .....	324
<b>Chapter 9</b>	
Esophageal motility disorders .....	357
A. Esophageal diverticula, <i>Silviu Constantinoiu, Adrian Constantin, Florin Achim</i> .....	357
B. Achalasia, <i>Silviu Constantinoiu, Marcel Tanțău, Adrian Constantin, Florin Achim, Marius Boeriu</i> .....	391
C. Peroral endoscopic myotomy for the treatment of achalasia (POEM), <i>Marcel Tanțău, Voicu Mercea</i> .....	404
D. Chagas Disease, <i>Matias Losano-Brotons</i> .....	412
<b>Chapter 10</b>	
Caustic esophagitis .....	417
A. Etiology and diagnosis of caustic esophagitis, <i>Dragoș Predescu</i> .....	417
B. Treatment of caustic esophagitis, <i>Vasile Bințișan, Constantin Ciuce</i> .....	429
C. Right ileocolon and transverse colon interposition in caustic esophagitis, <i>Dragoș Predescu, Silviu Constantinoiu</i> .....	441
D. Left colon interposition in caustic esophagitis, <i>Silviu Constantinoiu, Dragoș Predescu</i> .....	463
<b>Chapter 11</b>	
Esophageal Foreign Bodies, <i>Dragoș Predescu, Irina Predescu</i> .....	479

## Chapter 12

Esophageal Trauma .....	495
A. Perforations and contusions of the esophagus, <i>Dragoș Predescu, Irina Predescu</i> .....	495
B. Spontaneous esophageal rupture. Boerhaave Syndrome, <i>Ciprian Bolca, Georgiana Fotache, Ioan Cordoș</i> .....	515

## Chapter 13

Benign esophageal tumors, <i>Ioan Cordoș, Ciprian Bolca</i> .....	521
---	-----

## Chapter 14

Esophageal cancer .....	533
A. Epidemiology and etiopathogeny of esophageal and esophagogastric cancer, <i>Silviu Constantinoiu, Ioan Nicolae Mateș</i> .....	533
B. Clinical aspects of esophageal cancer, <i>Răzvan Scurtu, George Dindelegan, Constantin Ciuce</i> .....	550
C. Imaging of esophageal cancer, <i>Viorel Scripcariu, Bogdan Filip</i> .....	556
D. Staging in esophageal cancer, <i>Viorel Scripcariu, Bogdan Filip</i> .....	565
E. Pathology in esophageal cancer, <i>Cristina Iosif, Simona Enache</i> .....	572
F. Chemoradiotherapy for esophageal cancer, <i>Rodica Anghel</i> .....	577
G. Use of expandable metallic stents for treatment of locally advanced esophageal cancer, <i>Gabriel Mihail Dimofte, Iancu Andrei Cozorici</i> .....	596
H. Esophageal bypass surgery, <i>Ioan Nicolae Mateș, Silviu Constantinoiu</i> .....	611

## Chapter 15

Surgical treatment of esophageal squamous cell carcinoma .....	623
A. Surgical approaches of the cervical and cervico-mediastinal esophagus, <i>Silviu Constantinoiu, Florin Achim</i> .....	623
B. Reconstruction of the pharynx and cervical esophagus using free jejunal transfer, <i>Constantin Ciuce, George Dindelegan, Cătălin Ciuce</i> .....	625
C. Thoracic approaches of the esophagus, <i>Ioan Cordoș, Ciprian Bolca</i> .....	634
D. Sloan-Orringer transhiatal esophagectomy, <i>Silviu Constantinoiu, Florin Achim</i> .....	645
E. Three-approaches McKeown esophagectomy, <i>Ioan Cordoș, Ciprian Bolca, Silviu Constantinoiu</i> .....	656
F. Radical esophagectomy, <i>Ioan Cordoș, Georgiana Fotache, Ciprian Bolca</i> .....	661
G. Three-field lymphadenectomy, <i>Viorel Scripcariu, Bogdan Filip</i> .....	667
H. Minimally invasive esophagectomy, <i>Silviu Constantinoiu, Florin Achim</i> .....	674
H1. Minimally invasive esophagectomy through the modified Ivor Lewis approach laparoscopic and thoracoscopic, <i>Silviu Constantinoiu, Florin Achim</i> .....	691
H2. Minimally invasive transhiatal esophagectomy by laparoscopic and cervical modified Orringer approach, <i>Silviu Constantinoiu, Florin Achim</i> .....	696
H3. Thoracoscopic esophagectomy for esophageal cancer performed in prone position, <i>Silviu Constantinoiu, Florin Achim</i> .....	700
H4. Robotic esophagectomy, <i>Silviu Constantinoiu, Florin Achim</i> .....	705
I. Colon interposition for esophageal replacement in esophageal cancer, <i>Răzvan Scurtu, Constantin Ciuce</i> ..	709
J. Esophageal reconstruction with stomach in esophageal cancer, <i>Ioan Cordoș, Silviu Constantinoiu, Georgiana Fotache, Ciprian Bolca</i> .....	719
K. Postoperative care after esophageal surgery, <i>Luminița Cociu</i> .....	724
L. Complications of esophageal resections, <i>Răzvan Scurtu, George Dindelegan, Constantin Ciuce</i> .....	735
M. Quality of life and prognosis in patients with esophageal cancer, <i>Viorel Scripcariu, Bogdan Filip</i> .....	749

## Chapter 16

Adenocarcinoma of the esophagogastric junction, <i>Rodica Bîrlă, Silviu Constantinoiu</i> . . . . .	755
A. Introduction, <i>Rodica Bîrlă</i> . . . . .	755
B. The relationship between gastroesophageal reflux disease – Barrett’s esophagus – adenocarcinoma of esophagogastric junction, <i>Rodica Bîrlă</i> . . . . .	757
C. Classification of adenocarcinoma of the esophagogastric junction, <i>Rodica Bîrlă, Silviu Constantinoiu</i> . . .	761
D. Clinical presentation of adenocarcinoma of the esophagogastric junction, <i>Rodica Bîrlă</i> . . . . .	763
E. Imaging investigations in adenocarcinoma of the esophagogastric junction, <i>Rodica Bîrlă, Daniela Dinu, Petre Hoară</i> . . . . .	764
F. Anatomical pathology of adenocarcinoma of the esophagogastric junction, <i>Cristina Iosif, Simona Enache</i> . . . . .	770
G. Endoscopic treatment of adenocarcinoma of the esophagogastric junction, <i>Ayman Seyam, Eustațiu Memu, Ciprian Bolca, Eric Fréchette</i> . . . . .	775
H. Chemoradiotherapy in adenocarcinoma of the esophagogastric junction, <i>Rodica Anghel, Rodica Bîrlă, Dragoș Predescu</i> . . . . .	793
I. Treatment of adenocarcinoma of the esophagogastric junction . . . . .	796
11. Treatment of invasive adenocarcinoma of the esophagogastric junction, <i>Silviu Constantinoiu, Rodica Bîrlă, Florin Achim</i> . . . . .	796
12. Total gastrectomy with Hill transhiatal esophagectomy and Roux-en-Y loop reconstruction, <i>Silviu Constantinoiu, Rodica Bîrlă, Cristina Gîndea</i> . . . . .	805
13. The Ivor Lewis esophagectomy, <i>Ioan Cordoș, Ciprian Bolca</i> . . . . .	808
14. Treatment of adenocarcinoma of the esophagogastric junction by McKeown tripple approach (was discussed in Chapter 15), <i>Ioan Cordoș, Ciprian Bolca</i> . . . . .	814
J. Palliative treatment of adenocarcinoma of the esophagogastric junction, <i>Rodica Bîrlă, Cristian Marica, Florin Chiru</i> . . . . .	815
K. Survival and prognosis of adenocarcinoma of the esophagogastric junction, <i>Rodica Bîrlă, Marius Boeriu</i> . . . . .	818

## Chapter 17

Rare malignant esophageal tumors . . . . .	821
L. Gastrointestinal stromal esophageal tumors (GIST), <i>Mircea Gheorghe, Silviu Constantinoiu</i> . . . . .	821
M. Other malignant esophageal tumors, <i>Mircea Gheorghe, Ioan Nicolae Mateș</i> . . . . .	839
